

Tools. Training. Teamwork.

Partner with us to reduce stigma
and improve awareness and
connection to treatment
in Sussex County.

Delaware's Division of Substance Abuse and Mental Health is looking to partner with primary care providers in rural Sussex County to combat mental health and substance use disorders.

TOGETHER, WE CAN:

Build Capacity and Reduce Stigma

Access training for staff on practices that reflect a person-centered, trauma-informed approach. That includes mental health first-aid and anti-stigma training.

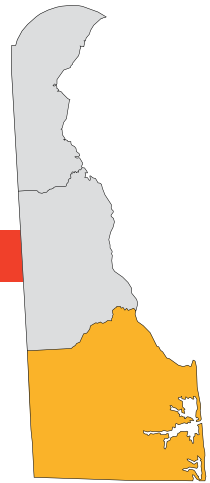

Access Mobile Support Team

A direct line of access to request our mobile support team, which includes expertise from peer support specialists to enhance behavioral health support for patients.

Access Resources

Access to SUD programs, mental health care, and harm reduction services.
